

LONG TERM JOURNEYS

High Performance Tennis + Language

2010-2011

1. DESCRIPTION OF JOURNEY

Long Term High Performance Tennis + Language offers those who are not studying at the school the opportunity to enhance their language skills in either Spanish or English, alongside high performance tennis.

The journey includes daily world-class technical and tactical tennis training with our experienced coaching team, and an integrated physical training program courtesy of our Physical Performance department. In addition, all student athletes receive Mental Skills training, Video Analysis and comprehensive Medical Care, as well as a personalized competition calendar.

Our journey runs from September until June, and is fully periodized and integrated. This means that our tennis, physical and mental training, work in harmony to provide maximum benefit for our student athletes, by reducing injury, avoiding 'over-training' and maximizing improvements.

Our daily work at the Academia Sanchez-Casal is guided by our philosophy of "developing successful young people in all aspects of life, using tennis and education as the vehicle for personal development." All student athletes receive the relevant support systems to help them fulfil this goal.
